

Gap Analysis for: _____

- Describe 10 qualities of a successful person who already possesses the position you would like to achieve.
- Rate yourself on each of the qualities you just defined.
- Then, write down the name of someone who you believe encompasses each of the qualities at a level 10 and think about why that person would rate at a level 10 for that quality.
- Are you willing, capable and available to develop as a Level 10 in the way you described the other person?
